## Center Stage Software Box Office Accounting Systems

Price List of Products and Services  
(All prices are in U.S. dollars & subject to change)  
Effective: January 1, 2008

Wintix version 4*	basic version for non-profits/small venues	\$995
WintixPro version 4*	commercial \$ remote box office venues	\$3,000
WintixPro version 5 Premium	commercial or non-profit in-house with my SQL backend	\$5,000
Webtix version 5** for Internet	Internet ticketing software (interfaces with Wintix Pro version 5 Premium)	\$5,000

\*New installation of Wintix or WintixPro includes input of one seating plan, conversion of one mailing list, and 60 days of phone support. For our customers, software updates are free and **software upgrades are available for additional cost.**

### Wintix version 4/5 & WintixPro version 4/5 include:

- CISP compliance
- unlimited groups in mailing list
- audit trail of sale's history
- encrypted credit card numbers
- backup reminder
- customer receipt as emailable PDF

### WintixPro includes:

- accounts receivable
- has a pay all agents option
- two more "notify" flags in customer file
- house manager alert report.
- Two to three days of onsite training (extra charge), plus accommodations and transportation are required for WintixPro 5 **with Webtix** 5 first-time users. (Negotiable)

\*\***Webtix** is an add-on module that integrates only with WintixPro version 5 Premium.
